Aryans Bring Changes to India

Directions New religious beliefs in ancient India arose after the arrival of the Aryans. Today, millions of people continue to follow these beliefs. Match each phrase or sentence to the religion it describes. Write the matching letter on the chart below.

- A. People live many lives until they reach spiritual perfection.
- B. Every living being has a soul, so humans should not eat animals.
- C. The highest level of reincarnation is called *moshka*.
- D. Cows are holy creatures and should not be eaten.
- E. Following the Eightfold Path can lead to nirvana.
- F. Change is best brought about through nonviolence.
- G. People should look for truth, love, the joy of knowledge, and a quiet mind.
